** Upon delivery of the Bonds, Bond Counsel will issue an opinion to the effect that under existing law (i) assuming continuing compliance with certain covenants and the accuracy of certain representations, interest on the Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations under the Internal Revenue Code of 1986, as amended, and (ii) the Bonds, the transfer thereof, and the income therefrom, including any profit made on the sale thereof, are free from taxation within the State of Ohio, except the estate tax, the domestic insurance company tax, the dealers in intangibles tax, the tax levied on the basis of the total equity capital of financial institutions, and the net worth base of the corporate franchise tax.
