## **Notice of Revision** **Request for Qualifications (RFQ) for Financial Advisory Services** **State of Ohio - Information Technology Financings**

Please be advised that *Section 1. Introduction* of the RFQ for financial advisory services has been revised to include the following provision:

*Once the initial qualified list of financial advisory firms has been established, firms may submit or update their qualifications under this RFQ at any time. The State may, at its discretion and at any time, add or remove firms from the qualified pool of financial advisory firms based on new or updated qualifications submitted or other material information that becomes known.*
